

# NUTS CAKE

## Ingredients

*For 1 cake*

2 eggs

1 yogurt

125g flaked almonds

70g flour

100g sugar

100g butter

1 bag vanilla sugar

1/2 tsp baking powder

1 banana

## Steps

- 1.** Preheat the oven to 200°C. In while, mix in a bowl: eggs, sugar, vanilla sugar and stir to combine.
- 2.** Then add the yogurt, 80g of melted butter, the flaked almonds and mix again.
- 3.** To finish, add the flour, baking powder and a pinch of salt. Mix until a homogeneous paste is obtained.
- 4.** Butter a baking dish and pour the preparation inside, sprinkle some flaked almonds over for the presentation.
- 5.** Bake approximately 30 minutes, check that it is perfectly soft by planting a knife blade: it should come out barely wet. Let the cake cool before unmolding it, place banana slices over the borders and serve it.
